PROFILE

E-commerce founder and digital operations lead with real-world content and WordPress/WooCommerce experience dating from Refahston operations in 2019. Produced consumer-electronics product content and supported smaller websites with editorial and SEO advice. In 2026 expanded structured SEO research, editorial writing and automation work. Distinguishes implemented work from proposed search optimization and does not claim unverified ranking results.

RELEVANT EXPERIENCE

Refahston | Founder, E-commerce & Content Operations | 2019–2025

Managed consumer electronics and home-goods selling operations, product/category information, installment-purchase communications and coordination of web/CRM workflows. Worked with WordPress/WooCommerce in the business’s earlier online-store setup.

Selected Content & SEO Support | Independent Assignments

Prepared several short Digikala consumer-electronics content submissions, including two approximately 300-character pieces. Also provided content and practical SEO guidance for smaller sites; their names are withheld.

Independent SEO Research & Technical Writing | 2026–Present

Developing the Persian manuscript Data-Driven Off-Page SEO and Link Building (7 planned parts; 28 planned chapters; opening lessons drafted). Produced a source-led English SEO explainer and a practical Refahston content/search-intent study.

Revivio & European Lead Finder | Product & Content Work | 2026–Present

Wrote customer-focused landing-page and multilingual outreach copy. Designed lead research, source labeling, tracking and automation workflows with Google Places, spreadsheets, JavaScript and Netlify.
